

Foreword

Foreword

The **Canyon County All Hazards Mitigation Plan** was developed during 2005-06 by the Canyon County Hazard Mitigation Planning Committee in cooperation with Northwest Management, Inc., of Moscow, Idaho. Three bound documents have been produced as part of this planning effort. They include:

- Volume I: All Hazards Mitigation Plan including chapters of:
 - Flood Mitigation Plan
 - Landslide Mitigation Plan
 - Earthquake Mitigation Plan
 - Severe Weather Mitigation Plan
- Volume II: Wildland-Urban Interface Wildfire Mitigation Plan
- Volume III: All Hazard Mitigation Plan Appendices

The Canyon County Wildland-Urban Interface Wildfire Mitigation Plan, in addition to being compatible with FEMA requirements is also compatible with the National Fire Plan, the Healthy Forests Restoration Act, and the Idaho Implementation Strategy for the National Fire Plan. Although it is being published as a separate document, it should be considered one chapter of the All Hazards Mitigation Plan and is hereby incorporated into this plan's contents.
